I. Call to Order

The Board Chair or acting chair will call the meeting to order.

II. Agenda Additions or Deletions

The board will consider any items to add to or remove from the meeting agenda.

III. Hearing of Visitors

The board will hear public comments from any visitors. Visitors wishing to be heard should approach the podium and state their name and address. At that point visitors will have 2 minutes to address the board regarding items on the agenda, or items not on the agenda. In the interest of time, a timekeeper will alert the speaker when they have 30 seconds remaining, and will indicate when the time has expired. We request that public comments remain professional and respectful as we model public discourse and meeting protocols for our students, keeping in mind that impressionable young ears may be within earshot either in person, or online. The board may or may not choose to address the items directly based on their need to gather additional information, etc. New topics addressed during public comment may be added to a future board agenda for board discussion.

IV. Discussion

The board will engage in discussion around topics listed on the agenda. These items are for board discussion only and will not require board action.

- Borrowing funds for WSWSU payment
- Janitorial tasks

V. Items for Discussion with Possible Action

The board will engage in discussion around topics listed on the agenda. These items may or may not lead the board to take official action on the listed agenda items in this section.

VI. Executive Session

The board may withdraw from public session to meet in executive session to discuss personnel or other matters consistent with 1 V.S.A. § 313

VII. Return to Regular Session

After an executive session, the board will return to the main meeting or invite visitors to re-enter the meeting space for continuation of the public session.

VIII. Adjourn

A board member will make a motion to adjourn the meeting, followed by a vote for adjournment.
